LUMBERER DIES IN CRASH

Frank Burns, Phippen's Mill Employee, Victim; Inquest Called Tonight

District Attorney Lyon announced at noon Harold is being held "at least until after the inquest." Meanwhile, he said, J. W. Caswell, and himself, are investigating to determine whether charges should be brought against Harold, and whether there has been a violation of Section 62 of the Alcoholic Beverage Control Act, which declares it is a misdemeanor to sell, give or cause to be sold alcoholic beverages to a person obviously under the influence of liquor.

Frank Burns, aged about 60, was killed almost instantly about 12:30 o'clock Thursday morning when the car in which he was riding left the highway just a short distance above the railroad crossing near Merryman's east of Placerville, and crashed into a tree.

Owen Harold, 22, of Sacramento, who, with Burns, was an employee of Phippen's Mill, and was the driver of the car, was held at the county jail following the wreck and shortly before noon was being questioned concerning the tragedy by District Attorney Henry S. Lyon. Corner A. J. Orelli announced an inquest will be held at the courthouse at seven o'clock this (Thursday) evening.

The funeral services for Mr. Burns will be held at 11 o'clock Saturday morning from Memory Chapel. The Rev. Father M. V. Myles will officiate. Interment will be at the Catholic cemetery.

According to Officer H. B. Fowler, of the state highway patrol, he learned that Harold and Burns had been seen at a bar in Placerville and another in the vicinity of the Fourteen-Mile stone during the few hours before midnight Wednesday.

He said he also learned that when (Continued on page 4)

Sacramento District Meeting Will Be Held At Federated Church

The high school age Christian Endeavor Society of the Federated Church will be hosts for a district meeting of the Sacramento Christian Endeavor Union which will be held at the church building on Tuesday evening.

According to word received by Donald Wright, president of the local group, there will be an attendance of approximately three hundred members from Sacramento and vicinity.

Preparations for the reception and entertainment of the visitors are being made by the Endeavorers with the assistance of the ladies of the church.

The principal speaker for the meeting will be the Rev. Gordon Y. Doubleday, whose subject will be one intended to be of special interest to the young people.

Forest Service Shows In Plymouth Fair

Anselmo Lewis, of the forest staff, was at Plymouth on Thursday to arrange the exhibit of Eldorado Forest for the annual agricultural district fair, which will be held at Plymouth during the coming weekend.

578 PUPILS IN HIGH SCHOOL

Placerville Grade School Nears 350; Classes Begin In Nearly All Districts

School is in session. In nearly every district of the county including the county-wide high school district, classes are again on regular schedule.

The high school, closing its second week, had reached a total enrollment of 578 Thursday morning which Placerville Grammar School, which was included with the group of schools which opened for the year on September 11th, reported a grade enrollment approaching 350 with twenty-two additional youngsters in the kindergarten.

The high school enrollment by classes included 112 seniors, 123 juniors, 169 sophomores, and 174 freshmen and the total to date is a gain of thirteen pupils over the enrollment at a corresponding period last year.

School officials said Thursday morning that although their enrollment will undoubtedly pass the six hundred mark for the year, it now appears that the school has about reached the maximum of immediate enrollment and the net regular attending enrollment for the year is expected to be about 575, which will be a gain of about thirty over the corresponding figure for last year.

Placerville Grammar School started last year with an initial enrollment of 328 and this year there were 340 present the first day and officials said Thursday that this had been increased to about 356 with about thirty in the Uppertown School. In addition, there are twenty-two in the kindergarten.

County School Superintendent K. W. McCoy said during the week that as far as his office has been advised, all schools except Brandon district are now in session. This newspaper learned upon inquiry in Brandon district that preparations are being made to resume classes on Monday, September 18th.

The superintendent again urged that children who have not yet enrolled in school do so immediately, pointing out that class work is well under way and further delay in enrollment may seriously handicap the pupil in making a start on his year's work.

EAGLES AUXILIARY HELD REGULAR MEETING MONDAY NIGHT

The ladies auxiliary to Placerville Aerie No. 889, F. O. E., held its regular meeting September 11th with Madam President Lilly Revaz presiding.

During the business meeting, committees on prizes and refreshments were named for the Sept. 14 card party as follows, refreshments, Mrs. Ora Glasgow chairman; Mrs. E. Pierroz and Mrs. Wanda Walker; prizes, Mrs. Julia Braden, Mrs. Hazel Prewitt and Mrs. Martha Fields, chairman.

The drill team associated will meet at Roseville on September 24 for the election of officers.

The next meeting of the auxiliary, on September 25 will have Miss Laverne Shepherd as chairman of refreshments, with Mrs. Violet Potts and Mrs. Martha Fields. Entertainment will be arranged by Mrs. Mabel Johnson.

School Names Boy Officers Safety Aides

Someone has said that "a small boy may be a pain in the neck when he's around, but a pain in the heart when he's away," and in this connection schools of the county are organizing their Junior Traffic Patrol to assist in directing pupils across heavily traveled streets and highways as they go to and from school.

A squad of thirteen has been named by Placerville Grammar School and according to reports received by County Superintendent K. W. McCoy, the creation of similar patrols in some of the rural schools—particularly those near heavily traveled roads—is being considered.

The Placerville Junior Traffic Patrol members will wear distinctive caps of red and white material, and will carry signs for traffic direction of the same color.

Members of Junior Traffic Patrols are carefully selected by the school officials and are especially chosen for their work from among the pupils who are eligible for the task in point of scholarship.

They are empowered to direct traffic to insure the safety of their fellow pupils in crossing streets en route to and from school and are supported when necessary by the regularly constituted law enforcement officers in the control of drivers who disregard their directions.

Cannon Chevrolet Holds "Family Picnic"

The employees of the Cannon Chevrolet Company and their families held a picnic meeting Sunday at Pyramid Campground, above Fred's Place, in the American River Canyon.

Lloyd Cannon was host for the day and the doings included a steak fry and a picnic sports program. Main purpose of the day was to have a good time, and to promote a friendly acquaintance between the various members of the Cannon Chevrolet "family."

"Ham And Eggs" Act Would Result In Incalculable Hardship

By KATHLEEN NORRIS

Two men started the "Ham and Eggs" idea. Their names are Roy G. Owens and Will H. Kindig.

Fattening upon the pathetic credulity of California's aged and poor and dependent, these promoters established a cent-a-day charge for members of their society. It doesn't sound like much. But last year when this measure was first placed before the voters those pen-pennies, according to the promoters' own statement, amounted to more than \$72,000.00 a month.

That ought to make the old-fashioned dealers in gold bricks and walnut shells writhe in their graves with envy.

If the act passes, dictatorial powers are placed in the hands of one of these two men. With unbelievable audacity they have made that one of the clauses of the measure. This man would have greater authority than the Governor, California's public funds, more than seven hundred million dollars annually, would be placed in his hands.

He proposes to flood the state with paper money to carry on this frenzy of waste. Such paper money, to be known as "warrants," would naturally have no real value, and yet, so tremendous is the power that this dictator proposes to assume that he could actually force its acceptance, at least for the payment of taxes.

Only the desperation of poverty and old age could have given this preposterous scheme the headway it has already gained. And yet, poverty and old age would be far more heavily taxed for it than any other class. Such help as is being given our dependent people now would automatically stop, and the chaos of a demoralized currency would bear heavily upon every wage-earner in the State. The estimated tax on every employed worker in California would run more than \$50 a month. (Continued on page 3)

MUSIC, FORUM SERIES NEARS

Catherine Rue, Contralto, Coming Oct. 3; Lectures Begin October 10th

The 1939 Music Series in Placerville will open with Catherine Rue, contralto, October 3rd, at the Shakespeare Club House.

Miss Rue took the contralto lead opposite Grace Moore in "I'll Take Romance," a moving picture that was shown not so very long ago in northern California. She has sung in many operatic roles, appeared on Jeanette MacDonald's radio program for ten weeks and had her own program over the Columbia Broadcasting System for some time.

Miss Rue has sung the leading contralto roles in "Aida," "Il Trovatore," and other grand operas, and in such light operas as "The Student Prince," and "The Chocolate Soldier," with the Cincinnati, St. Louis and Kansas City Opera Companies, and has appeared as soloist with the Los Angeles Philharmonic Orchestra and Oratorio Society.

The other two attractions will be November, 7th, the California Nightingales; December 5th, the Pro Musica String Quartet with Emmerie Rudland, pianist as soloist. Tickets may be purchased at the Leo Burger Jewelry Store on Main Street, or from members of the Shakespeare Club or from the local secretary, Mrs. Evelyn Brander, 15 Spring St.

In addition to the Music Series Placerville is going to have an excellent lecture series. The dates are the October 10th, Oct. 17th, Oct. 24th and Nov. 14th, all on Tuesday.

In many communities the community forums are big factors in bringing people who are well advised on world affairs, economic problems and psychological subjects that are of utmost importance in changing world.

Winter Sports Season Nears

Chamber Of Commerce At Meeting Monday Will Consider Year's Program

Winter sports prospects in the county for the coming season will be one of the chief topics of discussion Monday night at the regular September meeting of the chamber of commerce, which will be held at Hotel Raffles.

Secretary Wallace M. Ripley announced Thursday morning that the meeting will be held at the hotel rather than at the chamber's headquarters on Sacramento Street, owing to present crowded conditions at the organization's headquarters, which is also the headquarters and museum of the county historical society.

A discussion of highway matters will arise, it was indicated, in connection with a consideration of the winter sports prospects which, this year, are said to promise increasing activity in the snow sports area in the vicinity of Strawberry and Twin Bridges.

Other business of a more or less routine nature also will come before the meeting.

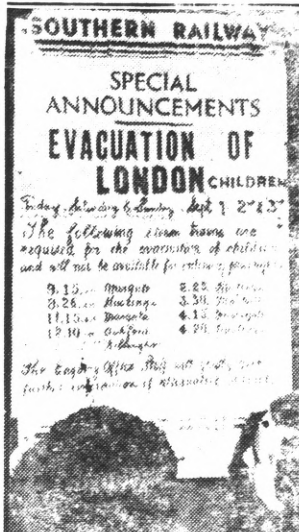

TUBERCULOSIS ASSOCIATION REGIONAL MEETING AT CHICO THURSDAY

Representatives of the El Dorado County Tuberculosis Association were at Chico on Thursday (today) to attend one of a series of regional meetings being held in the state under the auspices of the California Tuberculosis Association in preparation for the annual Christmas Seal Sale.

The annual sale of Christmas Seals, which is conducted in every state in the Union, is the sole means by which the anti tuberculosis associations raise funds to carry on their many activities looking toward the control of tuberculosis.

The El Dorado County Association has made marked progress in recent years in this work and has sponsored a number of surveys in support of the scientific fact that tuberculosis infection, if discovered in its early stages, can be definitely and permanently controlled under proper treatment.

ARMS EMBARGO REPEAL SEEN

U. S. To "Apply Brakes" To Further Advances, Says Attorney General

By LYLE C. WILSON

United Press Staff Correspondent

WASHINGTON, SEPT. 14—(UP)—The White House said today that submarine activities and the sinking of the S. S. Athenia were factors considered by President Roosevelt in deciding to issue a call for a quick special session of Congress.

Mr. Roosevelt yesterday summoned Congress to convene Sept. 21. An emergency atmosphere and booming business appeared to improve prospects for an administration victory in its demand for repeal of the arms embargo feature of the neutrality law.

White House Secretary Stephen T. Early said, in answer to a question, that European developments were a factor in the President's decision.

"European developments were a factor considered," Early said, "particularly submarine operations and the sinking of the Athenia."

Early said that Mr. Roosevelt issued his call after a rather thorough telephone canvass of Congressional sentiment as expressed by leaders in both houses.

Mr. Roosevelt was to confer at lunch today with Bernard M. Baruch, financier, adviser of president and chairman of the war industries board during 1917 and 1918.

Mr. Roosevelt apparently was calling upon the men who headed that wartime board for information of value in any possible national emergency.

The president conferred yesterday with Herbert Bayard Swope, who was vice chairman of the board which Baruch headed.

Game Law Jury Trial Rehearing Scheduled

A jury in the court of Justice of the Peace Tony Lemos, at Cool, was unable to reach a verdict Wednesday and was discharged in the trial of Frank Corman, charged with possession of venison illegally.

A new jury is being called and a re-trial of the case is scheduled to be held on September 27th.

A division of community property also is asked.

RUSSIA FACTOR IN POLAND

Partitioning Of Republic Suggested In Editorial; 4,000,000 Troops Stand By

By JOE ALEX MORRIS

U. P. Foreign News Editor

Soviet Russia thrust a mysterious new factor into the European war today when she hinted approval of a future partitioning of Poland.

With her western frontiers on a full war time basis and a reported 4,000,000 men under arms, the Soviet government permitted the Communist party mouthpiece, Pravda, to blame Poland's exploitation of minorities for the "dissolution" of the invaded republic and to suggest that part of it might eventually be incorporated into Russia.

The editorial, coming at a time when German armies had encircled Warsaw, thrust eastward almost to Brest-Litovsk and were smashing Polish resistance in the south around Lwow, appeared at first glance as a threat to tighten Russia's new bonds with Germany.

Actually, it remained to be seen whether the Soviets would throw their man power and material resources toward either the allied or the Nazi side of the conflict.

From Bucharest came reports that the Germans—driving toward the Russian frontier—had broken up Polish resistance around Lwow (Lemberg) in the southeast, were encircling the city and were slashing Poland's frontier communications with Rumania.

In Berlin, the Nazi high command announced that Poland's proud new port, Gdynia, had been occupied (although fighting continued nearby) and that the encirclement of Warsaw had been completed.

Several of Poland's generals were captured, the Nazis announced. At least 66,000 prisoners were reported taken in today's dispatches.

Polish reports broadcast from Warsaw and other Polish cities, disputed the German claims and said that more rain was working against the Nazi mechanized columns but the defense lines that once stretched across the heart of Poland along the Narew, Vistula and San rivers obviously were being battered at various points. Soaring Food Prices Halt

European Developments Declared Factor In Special Congress Meet

PHOENIX, ARIZ., (UP)—Attorney General Frank Murphy notified Gov. R. T. Jones today the federal government was planning no "immediate" investigation of the sudden jump in retail commodity prices was preparing to "apply the brakes" to further advances.

Murphy, responding to Gov. Jones' plea for a probe into the sudden increase in price of foodstuffs, said the government had no means of curbing "food profiteering" unless it could be traced to violation of anti-trust laws.

The president conferred yesterday with Herbert Bayard Swope, who was vice chairman of the board which Baruch headed.

RISE HALTS

WASHINGTON, (UP)—Secretary of Labor Frances Perkins said today that the war-inspired rise in food prices has slowed considerably for most commodities within the last week.

Miss Perkins said statistics compiled by the labor department in a special survey of 12 cities showed that retail prices of 10 major commodities rose rapidly during the first few days following the outbreak of war in Europe.

Since Sept. 7, however, prices of eight of these commodities have shown little change. Prices of the other two—lard and navy beans—continue to rise, she said.

Troop 67
This is the time of year that not only brings back the voice of the old alarm clock but also brings back something much more pleasant, Scout meetings for Troop 67 and I do mean bring back, for such occurrences have been few and far between the past few weeks. But now that school has reopened, I suppose that "business will be picking up" as the weight-lifter said.

Score another point for Troop 67 for we now have a total of three active Eagle Scouts in our troop, the latest addition John Weldman, who received his badge at the state fair Court of Honor Friday evening. Which just goes to show that we are the best troop in this town because we have more Eagles than the other troops combined. We also annexed a few merit badges to our all ready abundant supply.

There is going to be a Scout field meet at Cardinal field, Sacramen-

to, September 30 at 7:15. Admission is ten cents and all money collected goes into the treasury of the troop collecting it. So get your ticket early and avoid the rush. You can get them from the Scouts of your favorite troop and we hope that's 67.—Bob Allen.

Troop 57

Troop 57 combined with Troop 86 to journey to the State Fair. Our purpose, of course, was to attend the Council Court of Honor, but that didn't stop us from seeing the rest of the show. Those boys who had attended Scout Camp had the opportunity to renew acquaintances made at Camp, for nearly every Scout in the district was there. All this adds to just one thing: We had a swell time.

However, we had our troubles. After searching all over the Fair Grounds for nearly an hour, without finding two of the boys, we abandoned our search and prepared

to return home. Imagine our relief, when, on reaching our car, we found the two sound asleep in the back of the car!

Possibly you have seen Boy Scouts hustling around, trying to sell some little yellow tickets. These are passes to a Field Day at Sacramento, and the proceeds of their sale go to the troop selling them. We'd like to have you buy a ticket, although you aren't able to attend the meet, for this is your best way of showing your appreciation of local Scouting.

Realizing that our troop has not yet reached perfection, we have now placed a box in the Electric Shoe Shop in which box the Scouts may place any suggestions, written on a slip of paper and signed by the boy, that might make for the betterment of the troop.—Bill Dillinger.

Russia Factor In Poland

(Continued from Page One)

Warsaw still held out against the invading armies, but if Nazi reports are true that it is encircled by German columns moving down from east Prussia and up from Silesia, the capital is cut off from all major supply lines.

On the western front, the Ger-

man defenders of the Siegfried line became more active, opening up with a heavy artillery barrage against the French forces in the Saar sector and inflicting considerable casualties, according to reports in Paris. The French held their gains, however, and dug in along a line dominating Saarbruck-

en. As the Nazis claimed their triumph in Poland was near, the pressure of war on their western front had become so great that they were taking drastic defensive measures and were reported to be preparing for a counter-offensive against the French.

Household Hint

Do not throw away the oil on top of the can of salmon or tuna fish. Use it for cooking as it is rich in vitamins A and D.

Wife Preservers

Do not scrape food particles from aluminum ware with metal knives or spoons. Use the fine steel wool especially sold for the purpose, or a wooden spoon or rubber scraper.

Lumber Worker
Dies In Crash

(Continued from Page One)

the two left a Placerville resort to
return to Phippen's Mill, the bar-
tender left his work and put a sub-
stitute on duty and drove the car
in which the two were traveling as
far as the easterly city limits where
Harold took the wheel and the bar-
tender returned to the business sec-
tion in another machine which had
followed him to the city limits.

Coroner Orelli reports that the
first parties at the scene of the
crash were a party of which Mar-
tin Buhlman, of near Placerville,
was a member and that although
they could not see the car from the
highway, their attention was at-
tracted by Harold clambering up
the roadside bank.

Soon Chris Orelli, passed the
scene and, determining that the
men available were not enough to
free Burns from the wrecked car,
called the Orelli ambulance and
Highway Officer Fowler.

Mr. Burns was taken to Placer-
ville Sanatorium where physicians
determined that he was dead and
probably had died instantly of a
fractured skull. The body was re-
moved to Memory Chapel.

Mr. Burns was a native of Port-
land, Oregon, aged about 60 years
and was unmarried. He had been a
resident in California for 20 years
and in this county for several years,
engaging in mining and lumbering.

Memory Chapel reports that he is
survived by two brothers, who live
in the vicinity of Phippen's Mill,
and by one sister, whose home is
at Portland and who is at this time
visiting her brothers here.

Returns to War

One of the outstanding heroes of
the World War, General Maxime
Weygand, 72, was placed in com-
mand of France's eastern forces in
the Mediterranean area for the new
war with Germany. One of his
duties will be to ensure safety of
the Suez Canal, the Allies' lifeline
to the East.

GRANGE NOTES

Marshall Grange

At the 157th meeting of Marshall
Grange No. 451, Sept. 8th, the usual
business was taken up and reports
heard from the fair committee.
Daisy Rolfe, chairman of the Home
Economics committee reported the
progress being made in selling tick-
ets for the hope chest they have
filled with needle work. The chest,
which won first prize at the El
Dorado County Fair, is now on
display in Dillinger's window.

Sister Daisy Rolfe was chosen as
the delegate to the State Grange
convention at Chico, sister Carrie
Foose as alternate.

The H. E. Club will meet in an
all day meeting at the home of sis-
ter Foose when they will tack two
quilts. Grangers always welcome.

Hangtown Grange

Hangtown Grange met in regu-
lar session Friday night, Sept. 1,
at Fossati's hall. Ora Lee Nita was
given the third and fourth degree
obligations. The question of alter-
nates to the state Grange conven-
tion was settled by electing William
Buchanan. The question of resum-
ing card parties arose and it was de-
cided to hold them on the second
Saturday of the month, the first
party to be held October 14 at Fos-
sati's Hall. Inez Bongetta tendered
her resignation as secretary which
was accepted. Inez is leaving for
Berkeley to attend school. Our next
meeting will be on October 6th.
Elmer Porini, master.

Pleasant Valley

The Home Economics Club of
the Pleasant Valley Grange met at
the site of the new hall on Sunday.
The ladies discussed ways of rais-
ing money to help with the new
hall and also talked about exhibits
for the booth at the State Grange
at Chico in October. Our hall will
soon be ready for the first dance,
which is to be given Saturday, Oc-
tober 7th. Happy Hayseeds orches-
tra of Stockton will furnish the
music.

The regular Grange meeting was
held in the Pleasant Valley school
house Tuesday, September 5th with
a fair attendance. Among other
things, the date for the opening
dance was decided upon and a com-
mittee was appointed to handle ev-
erything. Those appointed were
Mrs. Abel Campini, Mrs. Rose Mc-
Coy, Ben Brown, Don Morton and
Ernest Stevens. Announcement re-
garding the orchestra will be made
soon.

A large group of Pleasant Valley
Grangers attended the State Fair
on Wednesday, Sept. 6th which was
Grange day. At noon a delicious
free lunch was served in Governors
Hall. A section was reserved for all
Grangers in the grandstand directly
opposite the bandstand. The races,
horse show and vaudeville were en-
joyed immensely by all. Those who
attended from Pleasant Valley in-
cluded: Mr. and Mrs. A. G. Spring-
er, Mr. and Mrs. Ben Brown, Mr.
and Mrs. Frank Brown, Leo Spring-
er, Mrs. F. P. Brown, Mrs. Carl
Heuer, Mr. and Mrs. Bradley, Mrs.
Pound and children, Chas. Mc-
Laughlin and Mr. and Mrs. Ross
McCoy and daughter, Patricia.

DIAMOND SPRINGS PASTOR
TAKES BRIDE AT
OAKLAND

The Rev. and Mrs. Floyd Guern-
sey are at home at the Keesling
ranch, near Diamond Springs, fol-
lowing their marriage last weekend
at the Bay District.

Rev. Guernsey is the pastor of
the Diamond Springs Community
Church and his bride is the former
Velma Hoff, daughter of the Rev.
Gilbert Hoff, of Oakland, who has
been active in assisting in founding
the church at Diamond Springs.

Among those from Diamond
Springs who were present at the
wedding ceremony last Friday eve-
ning at an Oakland church were
Miss Ruby Grace, Ward Keesling,
J. T. Grace and Mrs. George Lewis
and daughter.

Miss Muriel Hermie has been
substituting in the Camino school
this week in the absence of Mrs.
Emma Witmer.

Placerville Girl Wed
At Carson City

Mr. and Mrs. Harry Herbert are
receiving the congratulations of
their friends following announce-
ment of their marriage on Septem-
ber 2 at Carson City. Mrs. Herbert
is the former Lillian Smith, daugh-
ter of Mr. and Mrs. John X. Smith,
of Placerville.

Her husband is the son of Mrs.
Pauline Herbert, of Cedar Grove,
and is employed by the Forest Ser-
vice. The couple will make their
home in Placerville.

J. C. RASMUSSEN BADLY
HURT IN FALL

We regret to report that J. C.
Rasmussen, of Camino, was very
seriously injured Tuesday when he
fell from his truck while unloading
at the fruit house.

Mr. Rasmussen suffered a frac-
ture of the skull and is being treat-
ed at his home and under the or-
ders of the attending physician is
not permitted to receive visitors.

FACTOGRAPHS

Twelve presidents of the Unit-
ed States, including Franklin D.
Roosevelt, have been Masons.

In some eastern countries the
colors in carpets have special
significance. Black signifies
trouble, white and green joy, red
and purple honor and distinction.

Because of its brilliance the
diamond was anciently associ-
ated with lightning, and believed
to owe its origin to the thunder-
bolt.

Osaka, Japan, contains one of
the world's finest hotels. Every
room is air conditioned, summer
and winter.

Japanese soldiers eat rice and
fish, which cost approximately
only nine cents a meal.

County Couple Wed On
Saturday In Nevada

Following their marriage Satur-
day at Carson City, Mr. and Mrs.
Cleveland Robinson have deferred
their plans for a wedding trip un-
til later in the year when Mr. Rob-
inson will have a vacation from his
duties with the P. G. & E. Com-
pany at Pacific, where the couple
reside.

Mrs. Robinson is the former Mrs.
Harriett Moss, of this city, and the
couple were accompanied to Carson
City by Mr. and Mrs. John S. Nel-
son, of this city. Mrs. Nelson is a
daughter of Mrs. Robinson.

We note that Erin Malone, of
Placerville, was among those who
won prizes during the past month
in a "fresh fruit dessert" contest
conducted by the Pacific Gas &
Electric Company.
